MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Establishing Performance Outcomes and Tracking Performance Results for DoD

Reference memorandum, FY 2004 – FY 2009 Management Initiative Decision (MID) Number 901, "Establishing Performance Outcomes and Tracking Performance Results for DoD," and FY 2004 – FY 2009 MID Number 910, Budget and Performance Integration Initiative.

The Secretary of Defense Management Initiative Decision (MID) 901 will assist the Department of Defense in sending one clear, unified message regarding implementation of the President's Management Agenda, the integration of performance measures in the budget, and other performance measures directed by outside agencies. Similarly, the Budget and Performance Integration Initiative, MID 910 requires that the congressional justifications associate performance metrics with at least 20 percent of the programs for the FY 2004.

As required by MID 901, I have designated the Director, Programs and Strategy, ASA(FM&C), as the Army Performance Management Coordinator. The Performance Management Coordinator will serve as the Army single focal point to coordinate and disseminate Army performance metrics and their association with budget justification materials and external reports.

I have directed the Performance Management Coordinator to form a Senior Steering Group to review and advise on the use of Performance Measures in all Army budget justification materials and external reports.
